They don't have eggs, and bat babies get milk from ..... mothers. Bats first lived about 60,000,000 years ago. People have ..... very old pictures of bats in caves and under the ground.

Men ..... these pictures 4,000 years ago. Today the world has more than 2,000 different kinds of bats. Some are very ..... , like flies. Others are like very big birds.

Most bats eat insects but some bats ..... live in hot countries eat fruit, fish or other bats. They fly very fast in forests and other dark places and they don't often hit ..... . But bats don't use their eyes ..... find their way. They use their mouths and their ears. They 'shout' and they listen and then 'understand' if something is near them.

Some people are afraid ..... bats but they are very interesting animals. It's easy to watch them and learn about them

..... they often live at the top of our houses and fly in our gardens in the evening.

<b>Example</b>	it	there	each
1	nothing	not	no
2	its	our	their
3	found	find	finding
4	draw	drawn	drew
5	smallest	small	smaller
6	what	that	where
7	anything	another	anywhere
8	for	to	by
9	of	from	with
10	or	so	because

# Part 7

- 5 questions -

Read the diary and write the missing words. Write one word on each line.

## Wednesday September 8th

Today wasn't .....<sup>d</sup>..... good day at school.

Everything went wrong. .... the morning, I forgot to put my history homework in my rucksack so my teacher wasn't happy about that. Then I lost

my favourite pen. I cut my leg when I ..... playing in the playground and I had an egg sandwich for lunch, which tasted horrible. Then, after lunch, I

asked one ..... my friends something in class and my teacher ..... "Stop talking, Bill!" and my face went very red.

Perhaps tomorrow will ..... better!
